## Commodore's Report

### Sailing, it's what we do at Racine Yacht Club!

This year was the 39th running of the HOOK race. This is RYC's premier long distance race from Racine to Menomonee Michigan, a 189 nautical mile trek. The boats head North "hooking" through Death's Door (Porte Des Morts passage), a narrow and often treacherous passageway between Washington Island and Wisconsin's Door County Peninsula, continuing across Green Bay, and ending in Menominee, Michigan.

New this year was the Super HOOK, which after passing through the finish in Menomonee they race back to Racine. Five boats registered for the Super HOOK; however, due to equipment failures, and time constraints only 1 boat, Dale Smirl's, Defiance finished the Super HOOK! Congratulations, Defiance!

This year was considered to be a slow race. Many of my friends and fellow Yacht Club members were on the race and it gave me comfort to know they were not subject to danger with crazy strong winds and storms as we have had in the past.

Many thanks to our members who volunteered their time to assure the race goes off without a hitch. It takes an army of people to attend to big details such as registration all the way down to making sure the garbage is emptied. A special, thank you, to Kris Gancarz and her committee for handling all of the HOOK registration. Her attention to detail is amazing! It's not easy tracking down all of the Skippers to get complete forms.

Special congratulations goes to Scott Monroe and his crew aboard his new TP52, Legacy; who took line honors! For those of you who don't sail that means they were first to cross the finish line. All of these boats race under a performance handicap rating system (PHRF). Sagamore finished close behind, correcting over Legacy to take 1st place in the Turbo Section.

Results for our Racine Yacht Club boats:

- 1st Place Bootlegger, Dave Bonzon (Single Handed)
- 1st Place Split Personality, Stephan Gancarz (PHRF 4)
- 2nd Place Legacy, Scott Monroe (Turbo)
- 2nd Place Shmokin Joe, Jeff Schaefer (PHRF 1)
- 2nd Place Invictus, Aaron Cruthers (Cruising)
- 3rd Place Hasten, Fred Stritt (PHRF 2)

12 of our youth sailors raced in the Kaszube Cup in Milwaukee under extremely windy conditions. We are very proud of all of our sailors especially Beckett Sabanosh who placed 1st in the Laser Radial division and Mary Westfall who received the Sportsmanship Award.

Going to an out of town regatta is a big endeavor, but well worth it! The masts are taken down, the shrouds are shrink wrapped, and then they are properly tied down to the trailer. The trailers are checked to assure they are road ready. All boats are launched from a dolly, so all dollies need to go too. Then who tows which boat? Thank you to all of the parents, grandparents and club members who helped in towing all of our boats to and from Milwaukee. We took 5 Opti's, 2 420's, 3 lasers, and 2 support safety boats. Thanks to everyone for making our program successful.

Summer is in full swing. Stop by the patio to enjoy the beautiful view, or better yet, get out on the water. Join the Adult Family Sail Cruise group to get out on the water. They meet on the patio Thursday evenings at 5:30PM or Saturday, August 6th or 20th at 9:00AM. We have club canoes, kayaks, and other water craft for you to enjoy. Wear your life jacket and be safe out there.

Sail on...

## **RYC News in Brief**

### **RECORDING SECRETARY:**

Carol Stanley

The minutes of the June 9, 2022 board meeting approved as written.

Maddie Lyon spoke to the board to comment on the minutes from the June 9th meeting about the Youth Sailing Notes stating the racing group is dwindling. Maddie said the group is not dwindling but is going strong. They have 10 to 15 boats out on Tuesday nights.

### **TREASURER'S REPORT:**

Frank Randall

We had a good month with an adjusted income of \$ 2,415. For the year our adjusted income is \$ 45,006. These are positive results! Frank was asked why \$2400, as it sounded low for a summer month. We have a lot of activities coming up which we are paying for. The water level of Lake Michigan appears to be at the seasonal peak. It is currently seven inches below last year and is at the same level as last month. The Corp of Engineers looks for no net change in level during the next month. I added two new plots to the report. One shows the member numbers in each RYC class over the last few years. The other shows the increase in dues for an Act 30 member. It has doubled in the last twenty years from \$400 a year to \$800 a year. This is an average increase of \$20 a year.

### **COMMODORE'S REPORT:**

Amy Cermak

I'd like to thank our caterer, Erica for always taking care of our youth sailors by making sure they are hydrated and well fed.

June was a busy month for me racing my Diamond Girl in Chicago; unfortunately, I was unable to attend our Open House and Tri-Club Rendezvous. I understand that Theresa Rooney, Kurt Lasson and their committee did an awesome job showcasing our club. Amy sent an email out about the costs of securing the east door with a pushbar exit and fob entry. For safety reasons the door should be kept locked. Frank also reminded us the IRS requires a private club to have locked doors. Frank moved (Sean 2nd) we order the push bar and fob access for the east door. Passed. Sean asked about the door being locked at all times. It is unlocked on Wednesday race nights as some of the crew are not

members.

Kim made a batch of fobs for the Hook sailors and they paid the \$10/deposit. Sandy offered to collect them Saturday morning and return their deposit. Sean will speak with Erica on who unlocks the door.

### **OFFICE MANAGER'S REPORT:**

Kim Shortess

Marilyn Blood has offered to help with editing the Reefpoint.

### **VICE COMMODORE'S REPORT:**

Sean Fox

The long term planning committee has been working on a membership survey, as I've mentioned the past few months, and we are in the final stages of finalizing the questions. Our plan is to have the board approve the questions by August 5th and hopefully have it sent out to the general membership by mid-August.

We're doing this for a few reasons: to improve communication, help the long term planning committee learn the priorities of our members, and give everyone an opportunity to voice their opinions.

This survey will be open to all individuals and family members associated with a membership. You will also be able to do this anonymously or have your name associated with your survey. We will be sending this out electronically as well as have paper copies available.

We will make it very well known when the surveys do go out to the general membership.

Also, I want to thank Greg Miller for all his efforts in putting this survey together.

### **REAR COMMODORE'S REPORT:**

Rob Jossart

### **MEMBERSHIP SECRETARY'S REPORT:** Theresa Rooney

Membership committee meeting summary:

The hot topic was the book behind the bar and who needs to sign it. We were in agreement that the following guests SHOULD be asked by the bar staff to sign it:

Someone presenting a weekend pass or a temporary guest pass, or a "walk in"

that is allowed to stay for one drink per the bylaws.

Reciprocal members from any club or guests of a member DO NOT need to sign the book.

At this point we do not think that having greeter at the door checking for membership is necessary. RYC prides itself on being friendly and welcoming. We encourage members to introduce themselves to people they are not familiar with and politely ask if they are members. We have many new members, returning members who have not been in the club for a while or people using weekend or guest passes.

The east door is not always locked and this is a safety concern. Amy will check into a push bar.

If members bring a guest or guests they must leave the club when the member leaves. Theresa will ask Kim to add this reminder in next week's Eblast.

There is a sign on the front door stating we are a private club for members only. Could this be painted to make it stand out more? Could there be a sign that bathrooms are for members only?

## News in Brief. cont'd

If a member gets a request from a "walk up" nonmember just to use the restroom and they feel it is pertinent; then the member is responsible to make sure the visitor leaves after using the restroom.

We also discussed if future POS equipment could have more detailed features on the tickets for data collection purposes.

Carol suggested a corporate membership category would be beneficial to the club. Theresa will focus on this in the upcoming months.

Upcoming promotional events are Animal Crackers on July 13th and Reefpoint Open House on July 16th. Theresa thanked Fred Stritt for opening the Facebook conversation about nonmembers and reciprocity. There were 82 comments. This brought about the discussion at the membership meeting about the signing of the book. Theresa moved (Frank 2nd) to accept applications and membership changes. Passed

A new multi phone charger has been installed due to the old one not charging iPhones.

It was brought to my attention that the hot water in the men's room could burn someone. After review we need to keep the temperature of the hot water where it is at for the dishwasher in the kitchen.

Notes

Under NO circumstances should the front door be propped open, for security, flying insect and energy efficiency reasons.

Jacqueline Sieracki for doing Race Committee.

All of our classes this summer are full with 25+ kids. It's great we were able to hire five instructors who are doing beautiful job. Please stop down during the day and watch them sail; it is very impressive especially how eloquently they dock their boat.

Huge CONGRATULATIONS to Beckett Sabanosh, a long-time member of the RYC youth program. He took 1st place in the laser fleet today in Milwaukee!! All your hard work and perseverance has finally paid off!

And another huge CONGRATULATIONS to Mary Westfall for receiving the sportsmanship award. Mary took time out of her race to turn around and head back up wind to help a capsized boat retrieve all his lost belongings in the water. What a rockstar!!

And lastly, a BIG thank you to every single family for being there every step of the way for these awesome kids. We truly would not be able to do this without the support from all of you!
