Racine Yacht Club

Racine, Wisconsin

Commodore's Report

This year Racine Yacht Club is celebrating 106 years of camaraderie and 50 years in our current clubhouse. I feel honored and privileged to be a member of this Club and I am grateful that 50 years ago members had the vision to build this clubhouse. The view looking out the window is amazing, in any type of weather.

The following people have been RYC members for over 50 years.

81 years Pat Berbe
76 years Janice Tomasek
74 years Helen Veenstra
66 years Barb Gorsiske
63 years Arlene Henig
63 years Tony Herrmann
63 years Frank Catrine
63 years Ron Meissner
62 years Jim Rooney
60 years Ken Luedtke
59 years Louise Kivlin
59 years Gerry Nitz
56 years Sherm Foertsch
55 years Shirley Meyer
54 years Jim Seitz
53 years Charlie Rice
53 years Don Putning
51 years Joan Tobias

We are in the process of developing a partnership with the City of Racine Fire Department. They have purchased a jet dock to store their 17ft. Zodiac rigid inflatable boat at the Yacht Club. Pier Director Heather Ellis is working out the details with them. The purpose of having their boat at the Club is to allow the dive team quick access to the lake in an emergency situation.

May is a busy month at the Club as the long-awaited boating season is right around the corner. There are plenty of opportunities to get your work or pay hours in. Contact Heather Ellis if you would like to work on the pier or Joyce Hoffman if you would like to work in the yard, plant flowers, or tend to the beach.

Dust off your hat for the Kentucky Derby party and Chili Cookoff on Saturday, May 7th.

May 14th is boat launch: see Charlie Manning's detailed instructions.

Sunday, May 15, (3-5PM) Sarah Pederson will present a seminar titled, "Unexpectedly in Charge." Sarah has a wealth of information and will cover situations that you may experience and how to handle them.

May 21st is Yard and Dock day. Come down, meet new friends and get some work or pay hours in. This is always a great time and you won't want to miss the delicious chili prepared by Todd Knop.

May 25th is our first Wednesday race! Get your boat ready and join in the fun. Race Director, Steve Gancarz has a great season planned!

Opening Day Ceremony and the Blessing of our Fleet will be held on Saturday, May 28 at 10AM Sharp. I hope you can attend. Erica will have lunch specials (11am-2pm), informal modeling of new RYC apparel (Noon-2pm), there will be Happy Hour Drink specials (2pm-6pm), and there will also be music in the afternoon by Stan Karcz "The Piano Man."

Good Luck and all my best for a safe boating season!

See you on the water.

RYC News in Brief

From the April board meeting minutes:

From **Treasurer Frank Randall:**

- We had an adjusted income for the month of \$27,150 and for the year to date \$41,184. A major reason for the gains are payments for the HOOK Race, Youth sailing school and Adult sailing school. Most expenditures for these activities will come later. For example we took in \$13,282 in HOOK fees and have spent only \$966 YTD. We have taken in \$14,350 for youth classes which have not yet begun. We have received \$4940 in fees for the Adult Sailing School, but have spent only \$317 YTD.
- I have moved the section on the front page listing Great Lake water levels to the back page and replaced it with a table listing donations. So far this year we have had no donations, but \$2053 remains unspent from the house redecorating fund.
- Lake Michigan has gone up four inches in the last month and is expected to go up another four inches during the next month. We are past the seasonal low water levels.

From **Commodore Amy Cermak:**

- The 106th Opening Day ceremony is scheduled for Saturday, May 28 @ 10AM sharp. Board Members: Please confirm that you are able to attend or let me know if you are unable to attend.

From **Office Manager Kim Shortess:**

No report

From **Vice Commodore Sean Fox:**

- The Long Term Planning committee met on March 28th to discuss and prioritize capital improvements for RYC. The last report that was done was for 2013-2022. We will be working on updating a 10 year plan. I will be providing information to the directors as to what we discussed and what we will be looking at doing. After getting more information, quotes and anything else we may need I will compile everything and provide a report for the general membership.

From **Rear Commodore Rob Jossart:**

- Richter Building roof replacement is scheduled for some time in 2nd half of April.

- Once again a thank you to all who helped at Milaeger's Farmers Market. We had dozens of leads for youth sailing and membership. I will be sending an invite to the RYC open house on June 4th to those people who gave us their e-mail addresses on the signup sheet.
- Kim has ordered the new membership cards for May 1, 2022 to April 2023.
- The updated rack cards with the QR code was dropped off at the Racine Visitor Center.
- Due to a conflict I notified the Racine Zoo that I would not be attending the Eggstravaganza. I will be having a booth at the first Animal Crackers on July 13th. I contacted Rely Local to remove outdated information on the website.
- A big thank you to Racine Riverside for a vendor booth at their Mix and Mingle on May 1st. Membership will be donating a raffle basket for the event.
- July 16th RYC will be at the Meet and Greet at Reefpoint.
- Two requests from inactive to remain associates (Sellers (2015 to 2017) / Clair and David Holland). Never paid active dues. Discussion followed. Since they did not quit the Club and we retained their certificate, they can come back as

• Current Projects

Replacement of current dishes.

We have experienced damage to the beer cooler floor due to the negligent handling by our vendor. The vendor has acknowledged this and is paying to have it fixed. Once again Rick Henning and family paid for the aluminum to be placed on the floor and Rick Cermak installed everything.
